

Medische Curriculum Vitae Kenrick Berend

1983	Artsenopleiding: Medical graduation University Utrecht, The Netherlands
Since 1983	Belangrijkste werk: algemeen interne geneeskunde en nierziekten. Main working area: general internal medicine and dialysis
1983-1986	Opleiding tot internist op Curaçao: Resident internal medicine Curaçao
1986-1989	Opleiding tot internist AZU. Resident internal medicine Academic Hospital Utrecht
1989-heden	Internist Curaçao
1989 – heden	Buitengewoon docent aan de Universiteit van Groningen
1992-1999	Medisch directeur dialysekliniek Diatel. Medical director Dialysis center Diatel (until fusion with hospital)
1997- heden	Geneesmiddelen registratie commissie lid. Member medicine registration committee
1990-1992	Bestuurslid medische Staf. Boardmember medical staff St. Elisabeth Hospital Curaçao
1991-1993	Bestuurslid medische specialistenvereniging. Board member Medical Specialist Association Curaçao
2001- heden	Bestuurslid Medisch Publiceren Curaçao. Member board medical publication (MEPUC) Curaçao
2006-2008	Medisch directeur dialysekliniek Curaçao (CDC)

Werkzaam op dialyseafdelingen:

1989 – heden	Werkzaam dialyseafdeling Sehos. Hospital dialysis unit
1992 – heden	Dialysekliniek Diatel. Diatel dialysis unit
2003 – heden	Werkzaam dialysekliniek Dialysis clinic Curaçao (CDC),
2003	Proefschrift. Dissertation: Subacute aluminum intoxication in hemodialysis patients.
2005- heden	Medisch tuchtcollege lid. Medical disciplinary board Netherlands Antilles
2005- heden	Hoofd interne geneeskunde afdeling. Head Internal medicine
2007 -heden	Lid Medisch Ethische Commissie. Ethical committee St. Elisabeth Hospital
2009- heden	Lid infectie commissie. Infection committee St. Elisabeth Hospital

Documenten	parenterale voeding op de intensive care Sehos. Niet reanimeren beleidsprotocol St. Elisabeth Hospitaal. Protocollenboek interne geneeskunde afdeling Sehos
